Aim and Focus of the Conference

The aim of the 39th traditional conference “Meeting of the Departments of Fluid Mechanics and Thermodynamics” is to present the results of research and development and exchange of experience in the field of teaching. The conference focuses on research in the field of thermomechanics and fluid mechanics and related fields such as power engineering, pumping equipment, hydraulics etc.

The attention is traditionally paid to the methods and results of experimental research as well as to the results of modelling and simulation of systems and processes.

The **conference fee** for the **publishing participant** (including co-authors) is **6,900 CZK (€ 270)**. The conference fee includes organizational costs, costs associated with publication in the **AIP Conference Proceedings**, printed proceedings of extended abstracts, refreshments, social evening and accompanying events. The conference fee for a **participant without a publication** is **5,500 CZK (€ 215)**, which includes everything mentioned above except publication costs.

You can register for the conference in the Registration Form hydrotermo.vsb.cz/en/registration.

Accommodation is provided directly in the Duo <https://www.hotel-duo.cz/>. The price of accommodation is according to the room category, out of seasonal prices (Lux room – 1330 Kč/person/night). You can book your accommodation in the Registration Form.

Instructions for Authors

Accepted papers in English will be published in **AIP Conference Proceedings**, indexed in databases Scopus and WoS. In printed Proceedings of extended abstracts will be published. The templates of the papers can be found on the conference website hydrotermo.vsb.cz/en/instructions-for-authors.

Please, send your extended abstracts to hydrotermo@vsb.cz till **31th August 2021** and papers till **10th September 2021**.

Payment of Conference Fees

Conference fee must be paid till **August 31, 2021**. It is not possible to cancel attendance after the fee has been paid.
